## NATIONAL FEDERATION OF INDEPENDENT BUSINESS

JOHN SLOAN, JR.  
PRESIDENT and  
CHIEF EXECUTIVE OFFICER

April 20, 1985

24 APR 1985

Dear Honorable William J. Casey:

I'm writing to let you know of some significant efforts to reorganize the NFIB structure to put increased focus on our activities here in Washington. Effective the first of the year, our former General Manager, Dick Fisher, has been reassigned to Washington from our San Mateo, California, office. He assumes the post of Vice President for Government Relations and Research. Reporting directly to me, Mr. Fisher will oversee all legislative activities as well as the NFIB Political Action Committee and our research foundation. Mr. Fisher will have some very capable individuals--some of whom you probably already know--working within the government relations and research unit:

- o Wayne L. Campbell, Director of State Government Relations, moved from the San Mateo office and continues to oversee the activities of NFIB lobbyists in all 50 state capitals;
- o James D. "Mike" McKeivitt, NFIB Washington Counsel, will continue to provide liaison with the executive branch and the various federal agencies; and
- o John J. Motley, Director of Federal Legislation will continue to be our lead person on Capitol Hill.

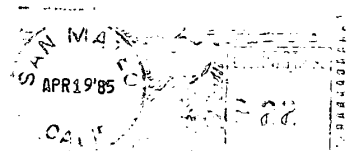

The purpose of the reorganization is to ensure that we have close cooperation and coordination in all NFIB efforts related to the executive branch of government, the U.S. Congress and the 50 state governments. Our goal is to continue to represent the more than 500,000 small- and independent-business owners who are NFIB's membership. I hope that you will find the new structure of help to you and that you will call on any of us whenever we can be of assistance to you.

Sincerely,

John Sloan, Jr.  
President & CEO
